

We are seeking an enthusiastic and passionate Assistant Head Coach

To plan and deliver a high standard of coaching to the Aquatix Squads.

Main Responsibilities of the Job:

- Planning and delivery of sessions for Academy, Development and Performance Squads, or any other squads as directed by the Head Coach.
- Planning and delivery of sessions for the school swim squads as applicable.
- To record swimmers' attendance on registers and share with the relevant member of staff
- To deliver suitable technique/skills-based sessions in line with our Head Coach.
- To encourage swimmers to enter competitions as per the competition calendar set by the Head Coach
- Attendance at competitions.
- Setting swimmer targets and communicating areas of development. Reviewing these regularly.
- To attend school galas with any partner schools.
- Reviewing the squad programme at your sites and to feedback to the Head Coach regularly

Communication:

- Proactively communicate with swimmers, parents and staff.
- To deal with enquiries and communication from parents in a professional manner. Escalate complaints if required.
- Attend meetings as required and to lead site meetings alongside the site lead.
- Develop good working relationships between learn to swim staff and the coaching team
- To attend staff training and CPD sessions, and keep knowledge up to date.

- To take bookings and payments and record them appropriately.
- To plan learn to swim lessons following the Aquatix Learn to Swim curriculum
- To deliver safe swimming lessons to swimmers of all ages and abilities in a professional manner.

Other Responsibilities:

- To represent Aquatix in a professional manner within the school setting and build working relationships with key school staff.
- To have an awareness of, and to adhere to company policies and procedures at all times.
- To assist Aquatix with the running of competitions where needed.
- To represent Aquatix at any event that is deemed necessary by the Senior Management.
- All other duties related to the role.

Qualifications:

- Certified Swim Coach with a recognised Swim England or an equivalent qualification.
- Previous experience in coaching and swim teaching, preferably with children and young athletes.
- Being proactive, having good administration skills and having a passion for swimming are a must.
- Driver's license required.
- Current lifesaving certification – RLSS/ Highfield.

What we offer:

- Salary AED144000 per annum (approx. GBP31000)
- Two year visa (renewable)
- Medical Insurance
- Flight allowance
