

Talking weight in sport

Coach or athlete involved in competitive sport?

We want to hear from you!

UNIVERSITY OF
BATH

Join our study exploring the experiences of athletes and coaches in discussing body weight in sport.

Can I take part? We are looking for athletes and coaches (aged over 18 yrs) currently involved in (or within 5-years) performance / competitive sport (i.e. training and taking part in national or international competitions/events).

What is involved? Take part in an interview (45-60 minutes) in-person or online to share your views on talking about body weight and health in sport.
